

DISTRICT OF MAINE

UNITED STATES PROBATION AND PRETRIAL SERVICES

OUR VISION

To Be a United, Professional Organization Committed to Excellence

OUR MISSION

Our mission is to provide the Court appropriate recommendations for bail conditions and sentences through accurate, timely and thorough investigations. We will equitably supervise our offenders to accomplish positive change and diminish any risk to the citizens of Maine communities.

OUR OBJECTIVES

We will work collectively with and show respect for judges, attorneys, defendants, investigative agencies, the community and each other.

We will provide cost effective and efficient services to aid in the reintegration of defendants into the communities by encouraging lifestyle modifications.

We will maintain the integrity of the Court by providing consistent, quality services and continually strive for improvement by maintaining the highest level of professionalism.

We will at all times exemplify our Code of Conduct through our work, actions and by maintaining the confidentiality of all cases.

We will remain a united district open to new ideas and changes through ongoing evaluation and a cooperative team effort.

We will use our administrative and support staff to provide specialized assistance.

We will strive to maintain a reputation of excellence at the national level.
